

A series of Presentation Sessions on
“Business Environment & Strengths of My Home Country”
by MBA candidates at Doshisha Business School

January 2023

☆The captioned event will be held at the Graduate School of Business at Doshisha University, as one of requirements of a subject titled “Japanese Business Practices - 002”, presented by the participating students.

☆Their backgrounds are diversified, including nationalities. They have learned a lot on the topic, including competitive Japanese industries, sources of the competitiveness, and Kyoto-style business models. These are prepared to show their achievements, as well as for the sake of Doshisha and other business communities. Just stop by for some tips.
